

Registering and Logging-in as a Shareholder

Electronic General Meeting System (eASY.KSEI) Guide

Reference

Version Date of Publication 2.0 Mach 4, 2022

1 Introduction

This User Guide will instruct you, as a Shareholder, on how to register and log in to KSEI's Security Ownership Referencing Facility (AKSes KSEI) and participate during an Issuer's General Meeting of Shareholders (Issuer's GMS) by declaring your attendance, or appointing a representative (proxy) if you could not attend, and vote during each agenda of the GMS.

To register for an AKSes account, please make sure that you have already own a Single Investor Identification (SID) number. Presently, only individual local Shareholders can participate in a GMS through the eASY.KSEI application.

2 How to Register as a Shareholder

- 1. Open the AKSes website at <u>https://akses.ksei.co.id/</u> through your PC's browser.
- 2. After the AKSes website is opened, click on the button on the upper right corner of the screen.

3. Choose your registration type as Local Individual, as shown in the graphic below:

	PILIH TIPE REGISTRASI ANDA						
3	INDIVIDU LOKAL	INVESTOR INDIVIDU ASING	INVESTOR INSTITUSI				
		KEMBALI	•				

- 4. After the Registration screen opens, fill in the available brackets with your personal data:
 - a. Full Name: Enter your full name as specified in your KTP (ID card).
 - b. NIK: Enter your National Identity Number (NIK) or your KTP number.
 - c. Mobile Number: Enter your active mobile phone number. This number will be used to receive an OTP (One Time Password) code to verify your account.
 - d. E-mail: Enter your active email address. This email address will be used to verify your account and will become the username to log in to or to change the settings in your account. As a Local Individual Investor, your email address must be similar to the one that you have registered through your Broker or Investment Manager.
- 5. After you have completed all of the brackets, click the Selanjutnya button to continue the account creation process.
